Net 30

Table with 2 columns: Description and Amount. Rows include EQUIPMENT TOTAL (\$3,335.00), LABOR TOTAL (\$594.00), and PROJECT TOTAL (\$3,929.00).

*Payment Schedule and Credit Terms for New Customers must be approved upon Credit Review.
**All Taxes calculated by accounting at time of Invoice.

TERMS

Financial Terms:

- THE PRICING WITHIN THIS PROPOSAL EXPIRES: July 15, 2023
Any reference to Sales Tax is an estimate, with the final tax amount to be calculated at the time of Invoice by CCS Accounting Department.
Credit Terms are established upon Customer Set Up in CCS Accounting System. Please request Credit Term confirmation if needed prior to proposal execution.
If Payment Schedule Information is unclear, please request further detail or discussion prior to proposal execution.

Warranties and Maintenance:

- CCS includes a 90-day installation warranty for all projects/installations unless otherwise stated within the proposal.
CCS Installation Warranty covers work performed to deliver, assemble and install system components and should not be confused with a manufacturer's equipment warranties.
Manufacturer warranties typically address the repair/replacement of the products during their stated warranted period.
If an optional service agreement is selected/included, it will supersede and replace the 90-day installation warranty.

The 90-day installation warranty covers:

- On-site labor to diagnose and resolve system failures with an initial 8 business hour telephone response and 3 business day on-site response if required.
Service calls are to take place during regular business hours (M-F, 8-5, EST) unless special arrangements have been made in advance. Work that must be performed during off-hours may incur additional charges.

The 90-day installation warranty does not cover:

- Repairs for system failures that were caused by abnormal conditions including: lightning strikes, fire, flood, earthquake, tornado, or any other acts of nature, obvious abuse, misuse, or negligence, failures caused by structural, mechanical, electrical, plumbing or other devices or systems not installed or maintained by CCS.
Replacement costs for consumable parts such as lamps, filters, and batteries.
Changes to control system or other software programming that constitute a change in scope from the customer approved scope and design.
Repairs to OFE items and/or equipment not covered by factory warranty. OFE items are specifically excluded from CCS warranties.

Statement of Performance:

This statement of performance is intended to provide you with our working standards and expectations while planning and installing your system(s).

Customer Responsibilities:

- Reasonable access to the installation site and suitable secure space for the storage of equipment before installation if required.
Electrical infrastructure to provide power to equipment.
Quality of electrical power. Examples of possible issues include power fluctuations, surges, spikes, electrical noise and ground loops.
Conduits and cable pathways which require modifications to structure such as core drilling
Quality of environment. CCS will advise you of any unsatisfactory operating condition due to temperature, humidity, ventilation, mechanical structure or other safety concern.
Voice/data cabling and the configuration of associated network and communications systems
Millwork and furniture modifications such as holes for specialty boxes installed in tables.
Structural modifications including reinforcement to support equipment loads, painting and resurfacing.
Quality of mechanical systems that may adversely affect the performance of an audiovisual system due to excess noise and/or vibration.

CCS Responsibilities:

- CCS will install all equipment in accordance with the manufacturers' specifications, national and local regulation ordinances and codes, including all OSHA guidelines.
- Unless other arrangements have been made, on-site work will be performed during the normal working hours of Monday through Friday, between 8:00AM and 5:00PM, except for recognized holidays. Additional charges may apply if work must be completed outside normal business hours.
- CCS will run and terminate all low voltage cables and wires associated with the proposed systems
- CCS staff will maintain a clean and safe work environment. All unused materials, containers, tools and equipment will be removed whenever possible. CCS will take precautions to protect all floors, walls, windows and other surfaces from stains, marring or other damage.
- CCS will acquire, assemble, deliver and test all specified equipment and components to provide a fully functional system.
- CCS will provide basic training on system usage and features to your staff immediately following completion of the installation.

Acceptance:

This statement of acceptance is intended to secure proof that the customer is familiar with the CCS terms and conditions of this proposal, as contained herein. Any purchase orders issued to CCS referencing this proposal will be deemed as acceptance of these terms and conditions in lieu of a signed proposal.
